

Mathematics

We will be starting off our learning this term by recapping our place value learning and understanding. We will also be working on our times tables and addition and subtraction facts.

English

The children will be writing warning tales this term and will be developing their understanding of describing settings. We will be using 'A Roman Story', by Leila Rasheed as our driver text and will also be linking our writing to the theme of environmental change.

History

Our History learning this term will be finding out about the Romans and Saxons. We will be finding out how they lived and also how they influenced our modern day Great Britain too.

Computing and PE

During our PE lessons, we will be developing our Agility, Balance and Coordination through the Real PE curriculum. Our outdoor sports this term will be Hockey and Rounders. As programmers this term, we will be developing simple computer games and learning basic coding.

Science

During our Science lessons, we will be learning about sound, how it is made and how it travels..We will be performing experiments with different instruments and investigating how we can change the pitch, volume and timbre of sound.

Wow week

Our DT focus during this week will be construction from a variety of materials. In Music, we will be learning how to read the stave and notation.

Curriculum enrichment

Sutton Hoo in Bedfordshire

RE and PSHE

We will be learning about the beliefs of Islam this term.
During PSHE we will be exploring our protective behaviours that keep us safe.

How can you help at home?

Please encourage your children to:

- read daily,
- learn their spelling words,
- practice their 2, 3, 4, 5, 8 and 10 multiplication tables.
