

Mawsley C.P School : School Effectiveness COVID-19 Risk Assessment Summary for Parents

This risk assessment summary has been written to aid parents with an understanding of how Mawsley School have identified risks and the subsequent planning to mitigate against these risks following the Government directive to open schools to all pupils in September 2020. On 4th January 2021 the school was instructed to close to all pupils except those deemed vulnerable and those whose parents are critical workers.

Risks considered: Transmission Through Contact		Staff and Pupil Attendance	Maintaining Cleanliness
Measures taken:	Measures taken:	Measures taken:	Measures taken:
Classes to be split into year group bubbles. Little contact will take place between bubbles, there may be passing in corridors.	Any children attending will undertake learning within a year group bubble. Adults will be allocated to each bubble to support learning in the classrooms and at lunchtimes. The number of adults linked to a bubble will be minimised as much as is organisationally possible however adults may be required to work with a new bubble in exceptional circumstances, due to staff shortages and in the administration of first aid or intimate care or cover due to staff absence.	Lunches to be eaten in allocated classrooms or areas in the hall. Outside lunchbreak to be timetabled with each bubble being allocated a zone to play in. Playground/field to be zoned	Each child will have their own set of equipment on it. Desks to be facing forward, in years 1 to 6, and organised to allow easy movement in and out of the room. Children should not bring in pencil cases.
Children all to have an allocated wipe clean wallet which has a white board, pen, coloured pencils, coloured pens and eraser, and reading books. Children to ensure their personal resources are packed away into their zip wallet at the end of the day. Any resources that children have used should be cleaned at the end of the day.	Resources for the children ,in EYFS, to access will be carefully selected and have the ability to be easily cleaned. EYFS resources to be sterilised frequently. Large outdoor equipment to be washed down with hot soapy water frequently.	Doors to be wedged open to reduce risk of contamination through touch. Windows and external doors to be open to ensure good ventilation, weather dependent. As a minimum one window will be open. Soft toys and furnishing to be limited in classrooms	When administering First Aid or dealing with a child's personal needs, where a member of staff needs to be close to the child, they will wear gloves, face covering and apron.
Staff assigned to refill soap dispensers throughout the day, restock tissues, toilet paper and empty bins.	Children encouraged to wash hands or sanitise when entering school, before	Tissues to be used once for blowing nose/sneezing and binned immediately. Bin to be emptied regularly. Tissues	Hand sanitiser available in all classrooms.

	<p>and after breaks, before and after eating and when changing rooms.</p> <p>Children to wash hands with soap and water after coughing or sneezing, after using the toilet, before and after handling food.</p>	readily available in every classroom and office areas.	
<p>Outdoor sanitising stations to be available so children can clean hands after coughing when outside.</p>	<p>If a child becomes unwell, the existing guidelines will be followed i.e. the child will be removed to a designated isolated space where they can be monitored and supported until they are collected by their parents or carers. If a member of staff needs to remain in the room and under 2 metres from the child they should wear PPE (face mask, shield, apron, gloves).</p> <p>Identified toilet for children to use if they are displaying symptoms and waiting to be collected.</p> <p>If areas are used for child showing symptoms they will be deep cleaned straight after.</p>		<p>A child displaying symptoms should be tested for coronavirus. If the test is negative the child and the rest of the bubble can continue to attend school (assuming they are well enough). If the test is positive, all children and adults within that group may be required to self-isolate for 10 days. Advice regarding self-isolation will be sorted where confirmed cases occur.</p>
<p>All children attending during the partial closure should be dropped at 8.45am at their allocated classroom door and collected at 3.15pm.</p> <p>Children in year R and Year 3 should access the school site through the electronic gates on Scholars Row. Children in Years 1, 2, 4, 5 and 6 should access through the large gates on School Road.</p>	<p>Checklist of cleaning has been created, and is used to ensure that all frequently used objects and items are cleaned to include:</p> <ul style="list-style-type: none"> Door handles Desks, table tops Toys Teaching equipment/resources Light switches Books Toilets Sinks 	<p>Where resources are used by different bubbles of children cleaning will take place or appropriate quarantining procedures will be applied.</p> <p>Outdoor trim, train and gym equipment not to be used.</p>	<p>For existing appointments which take place during the school day parents should ring ahead and the child will be ready and waiting at the school office.</p> <p>If a parent has been contacted because their child is unwell they should come to the school office. If the child is able to wait at the office they will be ready waiting, if the parent needs to collect their child from a room inside the school they will be escorted by a member of staff ensuring social distance measures are adhered to.</p>

Children and Staff who are deemed to be Clinically extremely vulnerable should not attend school.	Adults in communal areas, adults supervising children entering and leaving their classrooms and those on gate duty should wear a face covering.
